carol petroleum pvt. ltd

An ISO 9001: 2015 & 14001: 2015 COMPANY

**COMBINING EXPERTISE.
TURNING DREAMS
INTO REALITY.**

ABOUT US

Discovering the limits of possible by doing the impossible.

Over two decades ago, the vision and leadership of Mr. Paresh R Parekh led to the birth of Carol Petroleum which has been making customized products for a large clientele. Today, we have emerged as one of the fastest growing and one of the leaders in the manufacturing of Industrial and Automotive Lubricants and Greases.

We have also set up a state-of-the-art 7-acre plant at Wada which is backed with a highly experienced workforce and equipped with the latest in technology. Carol Petroleum has earned the merits of ISO Certifications, the National Small Industries Corporation Limited, Government of Maharashtra Joint Director of Industries – Kolkata Division. A small step in ensuring you receive only the best.

MISSION

To respond to the demands of an ever-changing environment by leveraging every change as an opportunity to innovate and emerge as an industry leader.

VISION

To be the No.1 choice in the private sector in India with a production volume that is 10 times more than our current strength without compromising on unmatched quality and excellence. But with big dreams come big responsibilities. Hence, we also strive to meet the social commitments expected from us by being a company that cares for its employees and their safety, always. .

RESEARCH AND DEVELOPMENT

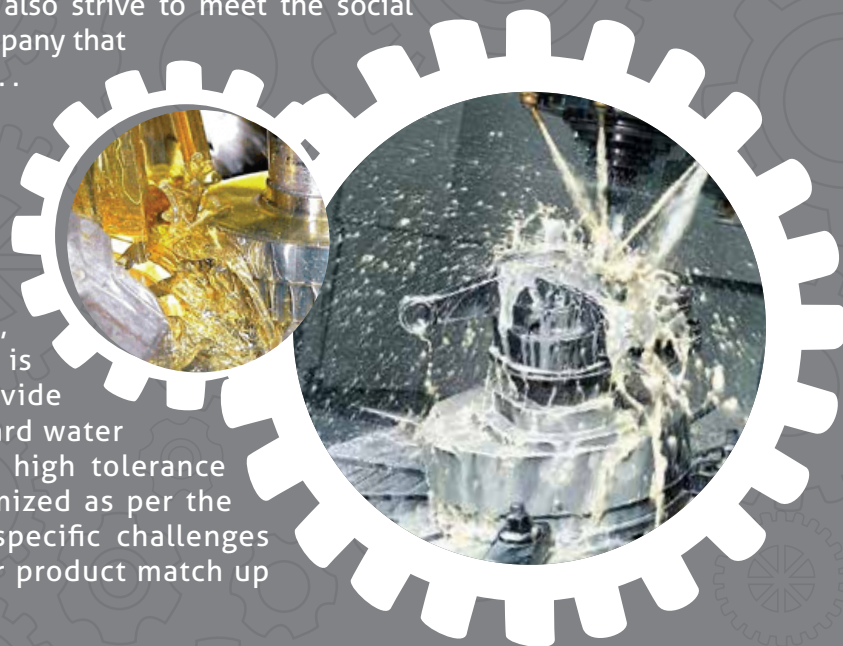

To innovate is to discover. That's why we invest so much time and efforts into research and development. We apply the studies in Tribology (the study of friction, wear and lubrication) in our products. It is evident in our cutting oil products. We provide unique benefits like very long sump life, hard water stability, excellent anti-rust property and high tolerance against tramp oil. Our products are customized as per the need of our customers. The focus is on specific challenges faced by our customers and to see that our product match up to them.

QUALITY CONTROL

Our manufacturing units are constantly upgraded and have met the An ISO 9001: 2015 & 14001: 2015 company standards. We follow "clean environment" practices. Cutting-edge equipment is in place to deliver quality that withstands the test of time. We implement a performance-oriented management system that meets world-class quality standards and protects the neighboring environment. We also have a widespread network throughout India. Our support services and channels are easily accessible. The aim is to help the businesses of our partners function smoothly.

INDUSTRIAL LUBRICANTS

We cater to a wide range of industrial lubricant requirements across the industries such as automobile, engineering, steel, cement, sugar, machining etc. in India and Overseas. These lubes work under extreme pressure conditions and have anti-wear additives that assure quick, accurate, and high quality lubrication. There is minimum tool wear and the oils do not leave residues. Even at very high temperatures, your machines function efficiently. We also have products tailor made for different techno-commercial requirements of a particular customer.

PRODUCT RANGE.....

● SOLUBLE CUTTING OILS :

- MINERAL HEAVY DUTY & EXTREME PRESSURE TYPE
- SEMI SYNTHETIC CUTTING OILS FOR CAST IORN
- SYNTHETIC CUTTING OILS - WITH NITRITE & WITHOUT NITRITE

● NEAT CUTTING OILS:

- HONING OIL
- BROACHING OIL
- DEEP HOLE DRILLING OIL
- GEAR CUTTING OIL
- GRINDING OIL

● RUST PREVENTIVE OILS:

- DE-WATERING
- OIL BASED
- WATER BASED

● HYDRAULIC OILS:

- ANTI-WEAR TYPE - YELLOW & WATER WHITE
- EXTREME PRESSURE TYPE - YELLOW & WATER WHITE
- HLP TYPE - YELLOW & WATER WHITE HIGH VISCOSITY INDEX
- HYDRAULIC OILS - WATER WHITE

● INDUSTRIAL GEAR OILS:

- HEAVY DUTY & EXTREME PRESSURE TYPE

● QUENCHING OILS:

- SLOW QUENCHING
- MEDIUM QUENCHING
- MEDIUM FAST QUENCHING
- FAST QUENCHING
- HOT QUENCHING
- POLYMER QUENCHING

● SYNTHETIC OILS

- GEAR OILS
- HYDRAULIC OILS
- ENGINE OILS
- COMPRESSOR OILS
- THERMIC OILS
- 4 T OILS

● HEAT TRANSFER FLUID -

- MINERAL & SYNTHETIC
- GENERAL PURPOSE MACHINE OILS
- COMPRESSOR OILS
- WIRE DRAWING OILS
- ROLLING OILS
- STEEL PLANT BEARING OILS
- SLIDWAY OILS
- SPINDLE OILS
- STAMPING OILS
- PUNCHING OILS
- NUT FORMING OILS
- CLEANING COMPOUNDS
- RUST REMOVER
- MOULD RELEASE OILS
- TRANSFORMER OILS
- CALIBERATION FLUIDS
- EDM FLUIDS
- VACCUM PUMP OILS
- 3 IN 1 SOLUTION
- RUST INHABITOR POWDER
- RADIATOR COOLANT
- WATER BASED OIL CLEANER
- RUBBER PROCESS OILS:

- PARAFFINIC, NAPHTHENIC, AROMATIC

● CLEANING CHEMICAL FOR THERMIC FLUID HEATER

● ADDITIVES:

- RUST PREVENTIVES OIL ADDITIVES
- PH BOOSTER
- BIOCIDES
- HYDRAULIC OIL ADDITIVES
- GEAR OIL ADDITIVES
- ENGINE OIL ADDITIVES
- QUENCHING OIL ADDITIVES
- THERMIC OIL ADDITIVES
- CORROSION INHABITOR FOR CUTTING OILS

● AUTOMATIC GREASE:

- CHASIS GREASE
- WHEEL BEARING GREASE
- MULTIPURPOSE GREASE, LONG LIFE
- GREASE
- EXTRA LONG LIFE GREASE

● INDUSTRIAL GREASE:

- ALL PURPOSE GREASE
- HIGH TEMPERATURE BALL BEARING GREASE
- EXTREME PRESSURE GREASE
- HIGH TEMPERATURE GREASE FOR FURNACE
- MOLY GREASE
- WATER RESISTANT GREASE
- CHUCK GREASE
- COMPLEX GREASE
- SILICON GREASE
- COPPER GREASE
- CALCIUM SULPHONATE COMPLEX GREASE
- HIGH SPEED MOTOR GREASE

● AUTOMOTIVE GEAR OILS:

- MONO GRADE & MULTI GRADE MEETING GL 4 & GL 5 STANDARDS

● AUTOMOTIVE TRANSMISSION FLUID

● AUTOMATIC SHOCK ABSORBER OILS

● 4T MULTIGRADE OILS

● MULTIGRADE ENGINE OILS

● TRACTOR OILS

● PUMPSET OILS
