

A man with a beard, wearing an orange beanie, a blue quilted vest over an orange long-sleeved shirt, and grey cargo pants, stands in front of a white metal building with a brick pillar. He is holding a large black and yellow Stanley rolling toolbox with both hands. The toolbox has multiple compartments and is on wheels. The man is also wearing black gloves and has a tool belt with a yellow handle visible. The building has a white door and a brick pillar. The number 34 is visible on the building's wall.

FOLDING HAND TRUCKS

Our latest STANLEY® Folding Trucks combine the best of both worlds. Strong steel tubing ensures durability and load capacity. The rugged black load plate is cast from aluminum to keep the weight down. Solid TPR wheels run smoothly, quietly, and can't spring a leak. Best of all: every truck folds down to easily fit in the trunk of any car.

2-IN-1 FOLDING TRUCK

Easy-to-Use Versatile Utility Cart
Strong and Durable Design
Made of strong and durable steel
Takes Seconds to Open and Close
Major plastic stress points are made of durable nylon;
other plastic pieces are polypropelene
Hand truck and platform cart in one

PLYWOOD MOVING DOLLIES

Extra strong plywood dollies for heavy moving applications. The dollies feature an outer plastic bump guard so you do not scratch any walls when moving. This dolly can be used up to 200 Kg. It has a built-in carry on handle for easy positioning and that makes it easy to move the dolly where you need it.
